walk  FOR wishes®
5K WALK/RUN

Right now, children in Southern Florida are facing
life-threatening medical conditions.

Our need is great. Help grant the wishes of local children battling life-threatening medical conditions.
Share the power of a wish® and join our walk team today!

A wish improves a child's state of mind, replacing fear with happiness and helping them to feel like a normal kid again. 98% of parents feel the wish experience gives them the opportunity to be a "normal" family again.
