

Reading is the key to unlocking your child's world

Curiosity

Creativity

Critical thinking

Exceptional Outcomes

Students Assessed:

2,118

Students Reading:

2,057

9 out of 10

of our students
learn to read before
Kindergarten.

Average age: 4 years

Consistent Across Our Network

*Study conducted during the 2013-2014 school year.

We are looking forward to sharing our 2015-2016 results shortly. To give a fair reflection of our program and staff, we assessed students who attended for the full year.
